## Remember !

1. The present simple tense is the **base form** of the verb but with the third person singular (she/he/it), we add an **"-s"**. **Eg.:** I **live** in Algeria./He **lives** in Algeria.
2. To form questions in the present simple we use **"do"** for **"I/you/we/they"** and **"does"** for **her/he/it**. **Eg.:** **Do** you have any money? / **Does** he have any money?

## Useful language – Tips

We use **do** and **does** with question words like **"where"**, **"what"** and **"when"**.  
**Eg.:** Where do you go? / What does she do? When does he arrive?  
 But with **"who"** we often don't use **"do"** or **"does"**:  
**Eg.:** Who comes with me?

### 3. Complete the dialogue with "does" or "doesn't".

- What ..... your mother look like?

- What about her face?
- She has an oval face with hazel eyes.

- What is she like?
- She is smart, sweet, and generous
- ..... she work?

Eg.: We **don't** live in Algiers.  
She **doesn't** live in Algiers.

### 4. Make the following sentences negative.
